

## Previous Publications

“Could we have foreseen the financial crisis?” is an English translation by Monika Streissler of an article published in German “War die Finanzkrise vorhersehbar?” by Gunther Tichy in *Perspektiven der Wirtschaftspolitik*, 11(4), pp. 356–382 (2010).

“Why did policy ignore the harbingers of the crisis?” by Gunther Tichy had originally been published in *Empirica*, 38 (1), pp. 107–130 (2011).

“Regulation of the Banking Sector” is an English translation by Monika Streissler of an article originally published in German, “Reicht Bankregulierung zur Vermeidung schwerer Finanzkrisen?” by Gunther Tichy in Kubon-Gilke, Gisela, Held, Martin, and Sturn, Richard (eds.), *Jahrbuch Normative und Institutionelle Grundfragen der Ökonomik*, Vol. 10, *Ökonomik in der Krise*, pp. 65–91 (2011).

“Forecasting World Trends During the 2010s” by Erich W. Streissler will also appear in a Festschrift for a surprise recipient, edited by Karl Hardach, Kleinmachnow/Germany.

The Austrian Academy of Sciences gratefully acknowledges the assistance of the respective copyright-holders and their permission to reprint these essays.
