Preface	15
INTRODUCTION	17
Historical background and periodization	18
Overview of previous studies	20
The nature and general distribution of Egyptian-type pottery	20
PART I: TYPOLOGY OF EGYPTIAN FORMS	
Chapter 1: The classification of Egyptian-style pottery	23
Chapter 2: The typological framework	23
Chapter 3: Bowls	24
BL1a–b: Simple bowls with rounded walls and plain rim	30
BL2a–b: Simple bowls with straight walls and plain rim	34
BL3a–b: Simple bowls with flaring rim	35
BL4: Simple bowl with flanged rim	38
BL5a–c: Large bowls	41
BL6: Carinated bowl	44
BL7: Spinning bowl	45
BL8: Strainer bowl	47
FP: Flowerpot	47
Bowl varia	50
Shallow, ring-based bowl	50
Medium-sized bowl with externally thickened rim	50
Chapter 4: Jars	51
BB: Beer jar	51
BB': Round-based beer jar	56
JR1: Small ovoid to drop-shaped slender jar	57
JR2a–b: Slender to medium-broad ovoid jars with concave neck and everted rim	59
JR3: Short-necked ovoid jar	60
JR4: Funnel-necked jar	61
JR5: Necked globular jar	63
JR6: Large, ovoid to tall storage jar with rolled rim	64
JR7: Small carinated jar	66
JR8: Bottle	69
JR9: Small conical jar	69
JR10: <i>Zīr</i>	70
Jar varia	71
Meat jar (import)	71
Large ovoid to globular storage jar with thick, elongated rim (import)	72
Chapter 5: Amphorae	73
AM1, AM2a–b: Medium- to large-sized amphorae	73
AM3: Small ovoid to globular amphora	78
AM4: Tall-necked amphora	79
Amphora varia	80

Chapter 6: Types of other vessel classes	80
CU: Handled cup	80
PF: Pilgrim flask	84
TZ: Tazza	84
DV: Double vessel	85
FD: Zoomorphic stand (“fire-dog”)	86
LD: Conical lid with knob handle	87
Chapter 7: Addenda (Types of questionable Egyptian association)	88
Cup-and-saucer	88
Small cone (Bread mold?)	89
Lids with open top	89
PART II: FABRICS, FORMATION TECHNIQUES AND DECORATION	
Chapter 8: Fabrics	91
Introduction	91
Egyptian imports	92
Egyptian Nile clays (Nile B, Nile E)	92
Egyptian marl clays	93
Egyptian Marl A	93
Egyptian Marl C	93
Egyptian Marl D	96
Egyptian Marl F	96
Egyptian Mixed marl-and-silt clay	97
Summary	97
Local Levantine fabrics	97
Beth-Shean fabrics (HU Excavations)	99
Tel Aphek fabrics	102
Tel Mor fabrics	103
Tel Sera ^c fabrics	104
Ashkelon fabrics	107
Chapter 9A: Formation techniques	108
Simple bowls	108
Large bowls	109
Jars	111
Chapter 9B: Two potting communities at Beth-Shean? A technological approach to the Egyptian and Canaanite forms in the Ramesside period <i>by Valentine Roux, Nava Panitz-Cohen and Mario A.S. Martin</i>	113
Introduction	113
Egyptian forms	113
Canaanite forms	117
Conclusions	117
Chapter 10: Decoration	118
Simple bowls (mainly Types BL1–3)	119
Red band on the rim	119
Red slip	119
Dark red rim on red slip	120
“Red-splash” decoration	120
Additional decorative styles	120
Large bowls	121
Handleless jars	121
Red slip	121

Horizontal bands	121
Cream-slipped amphorae and handled cups	121
PART III: THE EGYPTIAN ASSEMBLAGES AT THE VARIOUS SITES
