Diese Publikation wurde einem anonymen,
internationalen Begutachtungsverfahren unterzogen.

This publication was subject to international and anonymous peer review.

Peer review is an essential part of the Austrian Academy of Sciences Press evaluation process. Before any
book can be accepted for publication, it is assessed by international specialists and ultimately must be
approved by the Austrian Academy of Sciences Publication Committee.

The paper used in this publication is DIN 6738 LDK 24-85 certified and meets the requirements for
permanent archiving of written cultural property.
