

Die Grabungen 1997–1999 im Vicus Ost von Mautern-Favianis. Gesamtplan mit Steinstrukturen und Interfaces der Erdstrukturen. M. 1:400.

Die Grabungen 1997–1999 im Vicus Ost von Mautern-Favianis. Mosaik aus Orthophotos der einzelnen Grabungsabschnitte. M. 1:400.

Die Parzellierung des Siedlungsgebiets im Vicus Ost von Mautern-Favianis (Periode 1, Parzellen 1–12). M. 1:500.

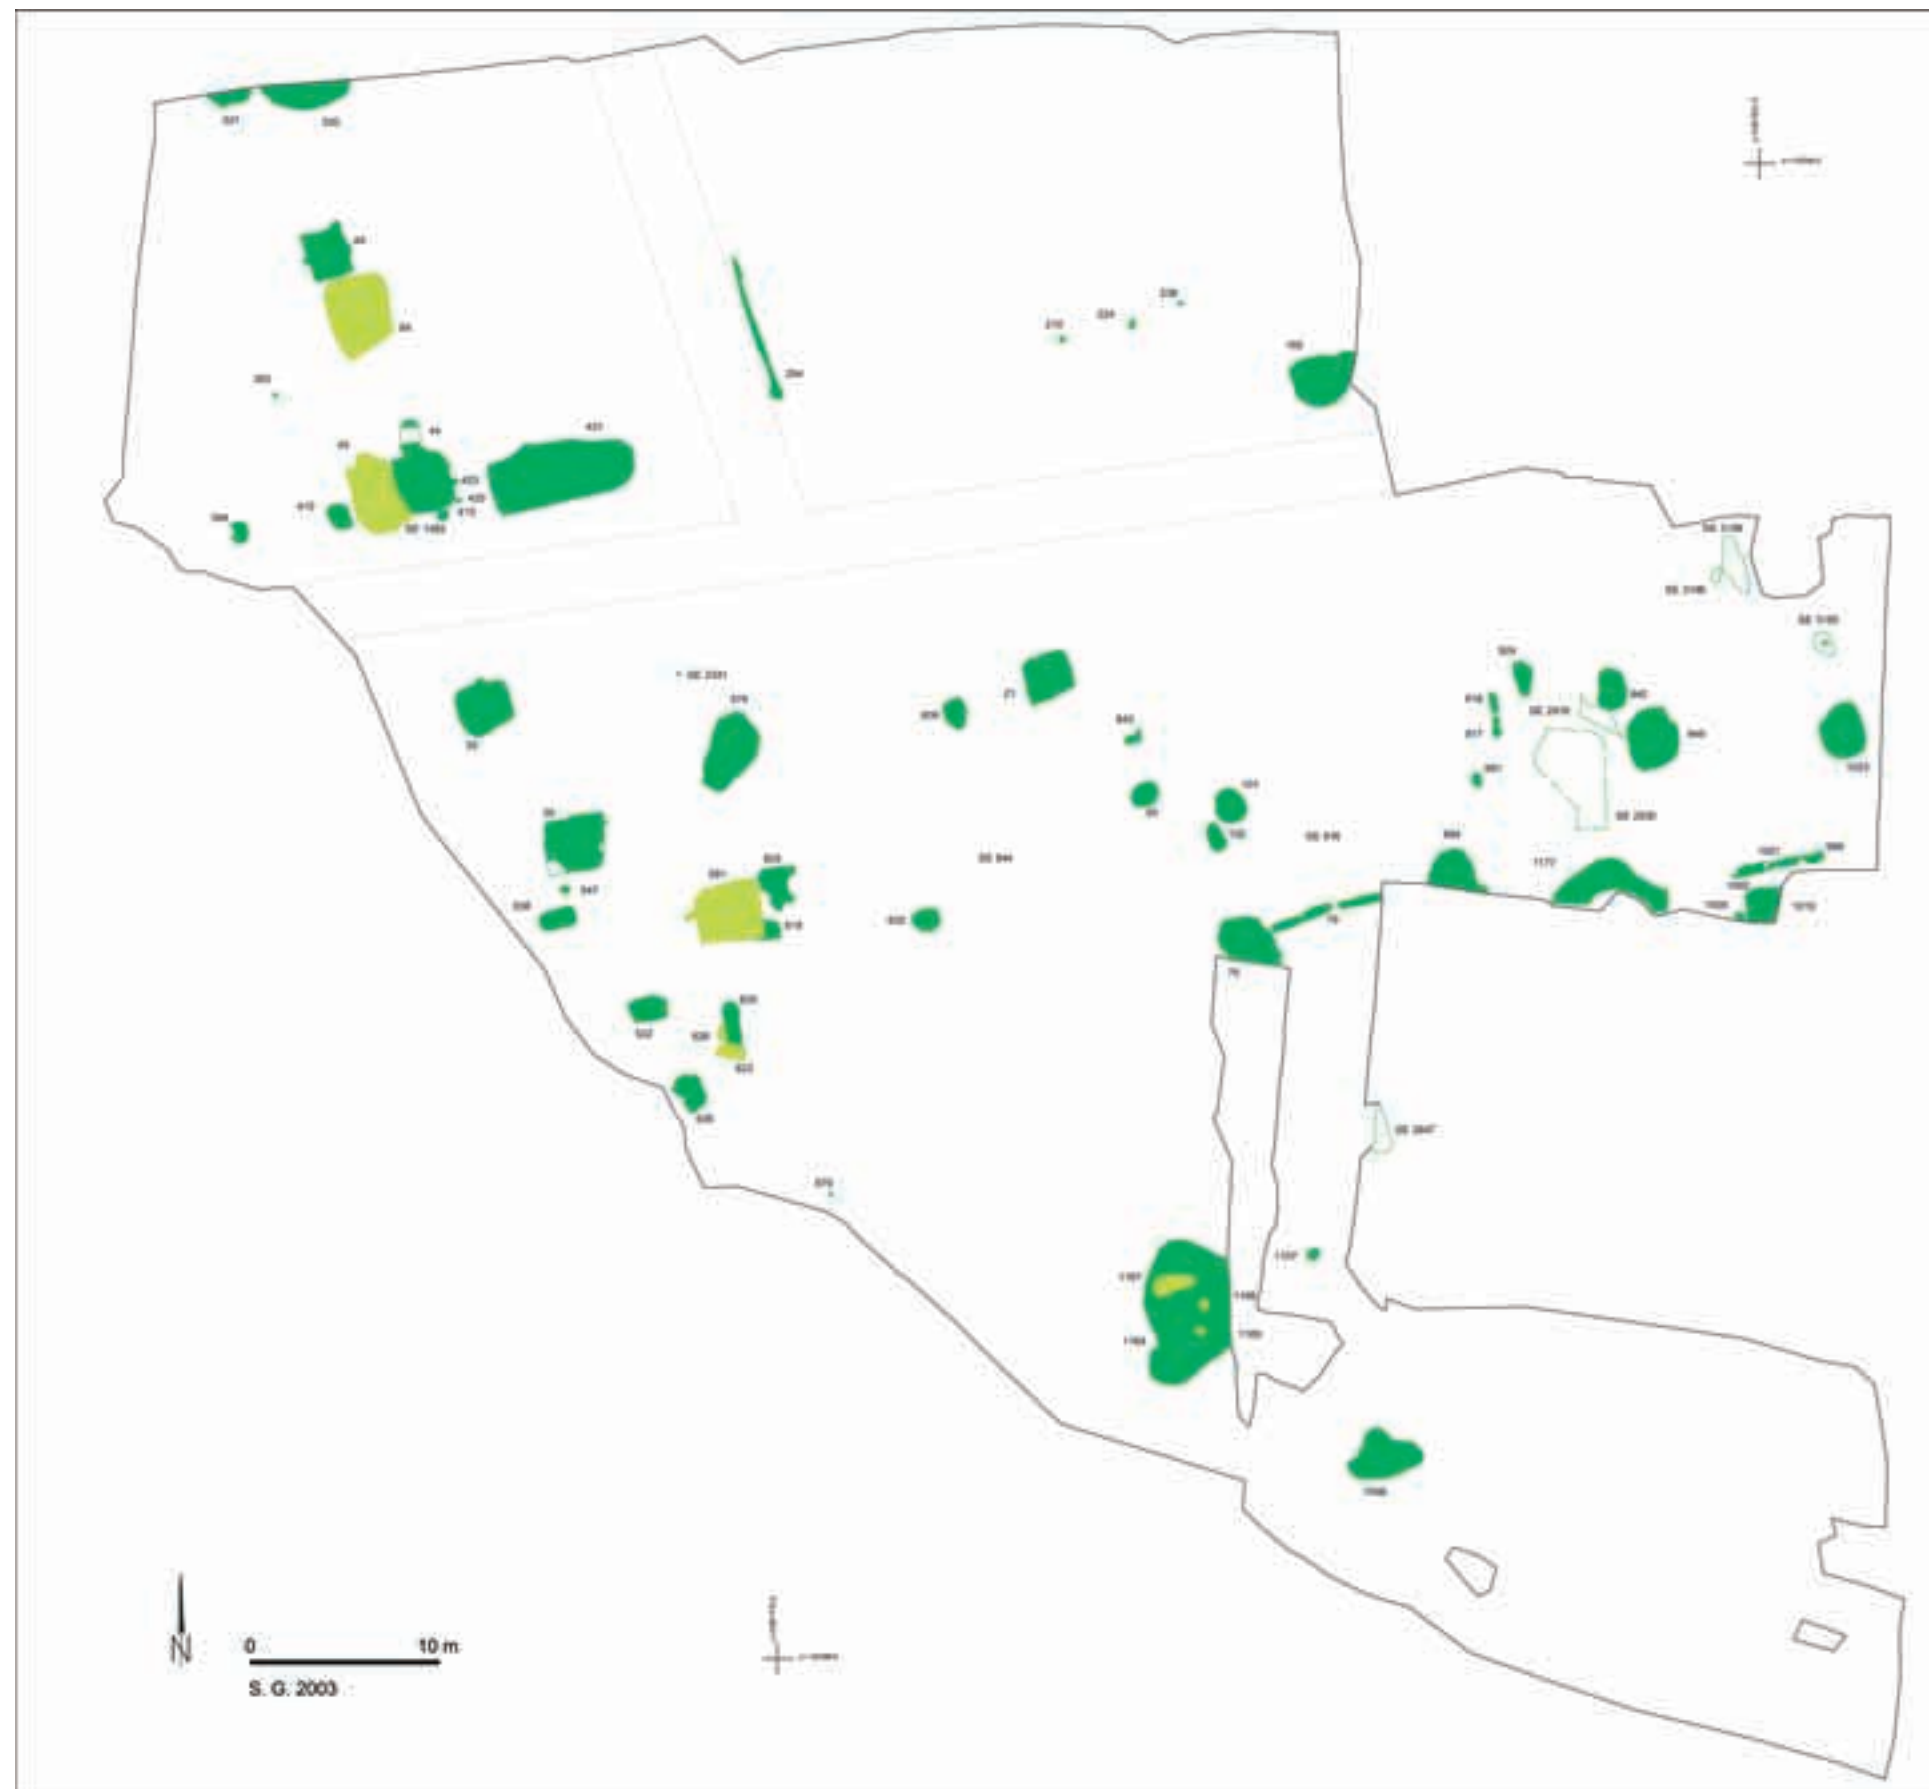

Grabungen 1997–1999 im Vicus Ost von Mautern-Favianis, Periode 1.1 (gelb), 1.2 (orange). M. 1:400.

Grabungen 1997–1999 im Vicus Ost von Mautern-Favianis, Periode 2.1 (hellblau), 2.2 (grau). M. 1:400.

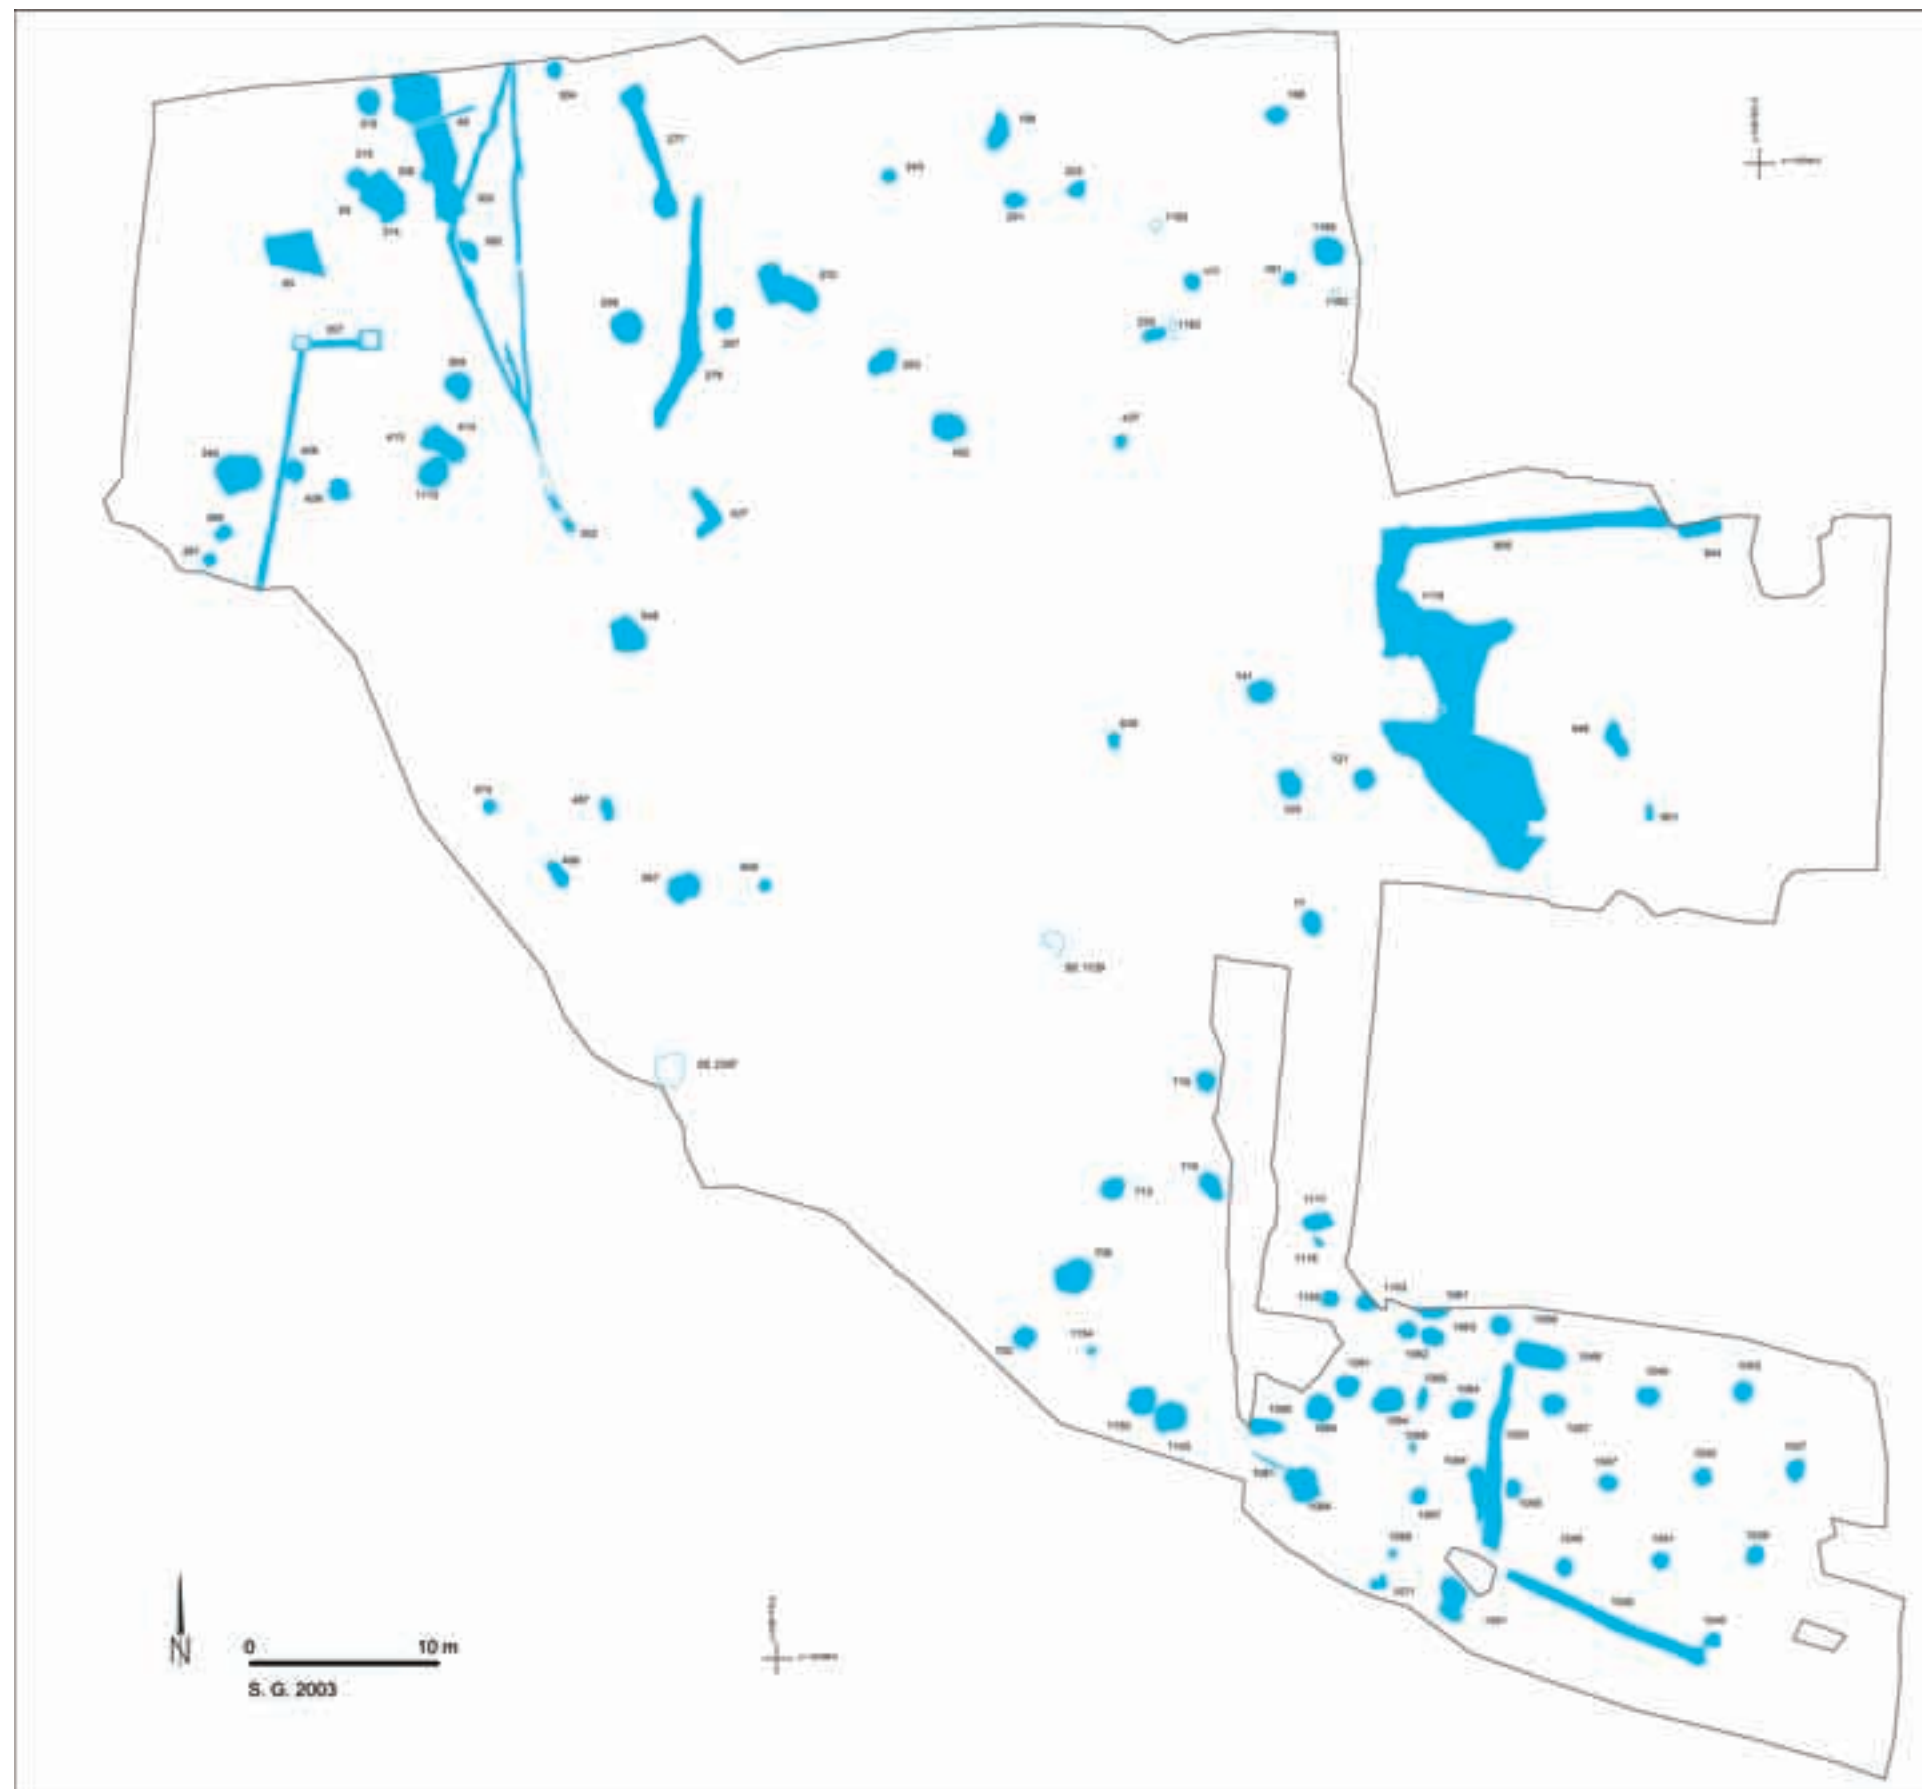

Grabungen 1997–1999 im Vicus Ost von Mautern-Favianis, Periode 4.1 (dunkelgrün), 4.2 (hellgrün). M. 1:400.

Grabungen 1997–1999 im Vicus Ost von Mautern-Favianis, Periode 5.1 (dunkelblau), 5.2 (hellblau). M. 1:400.

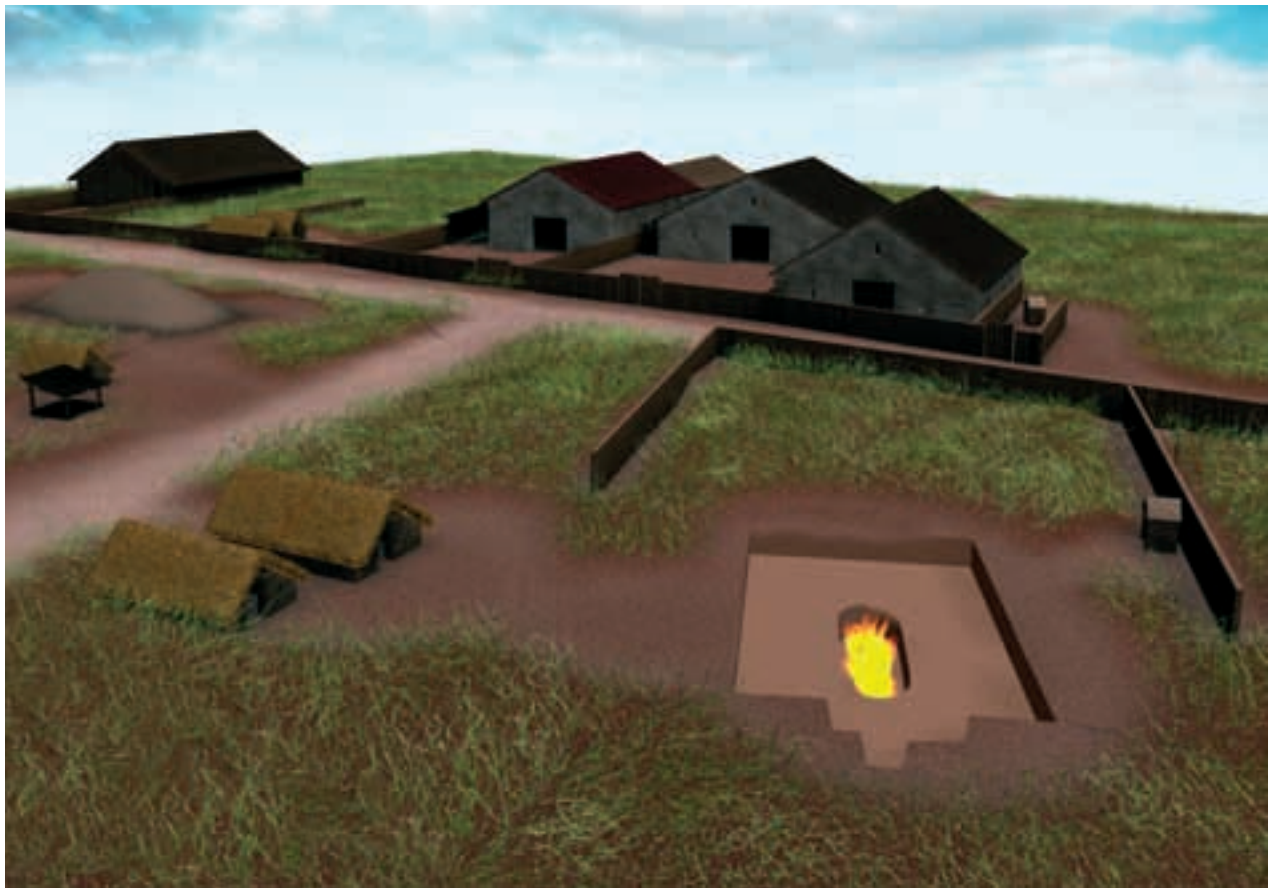

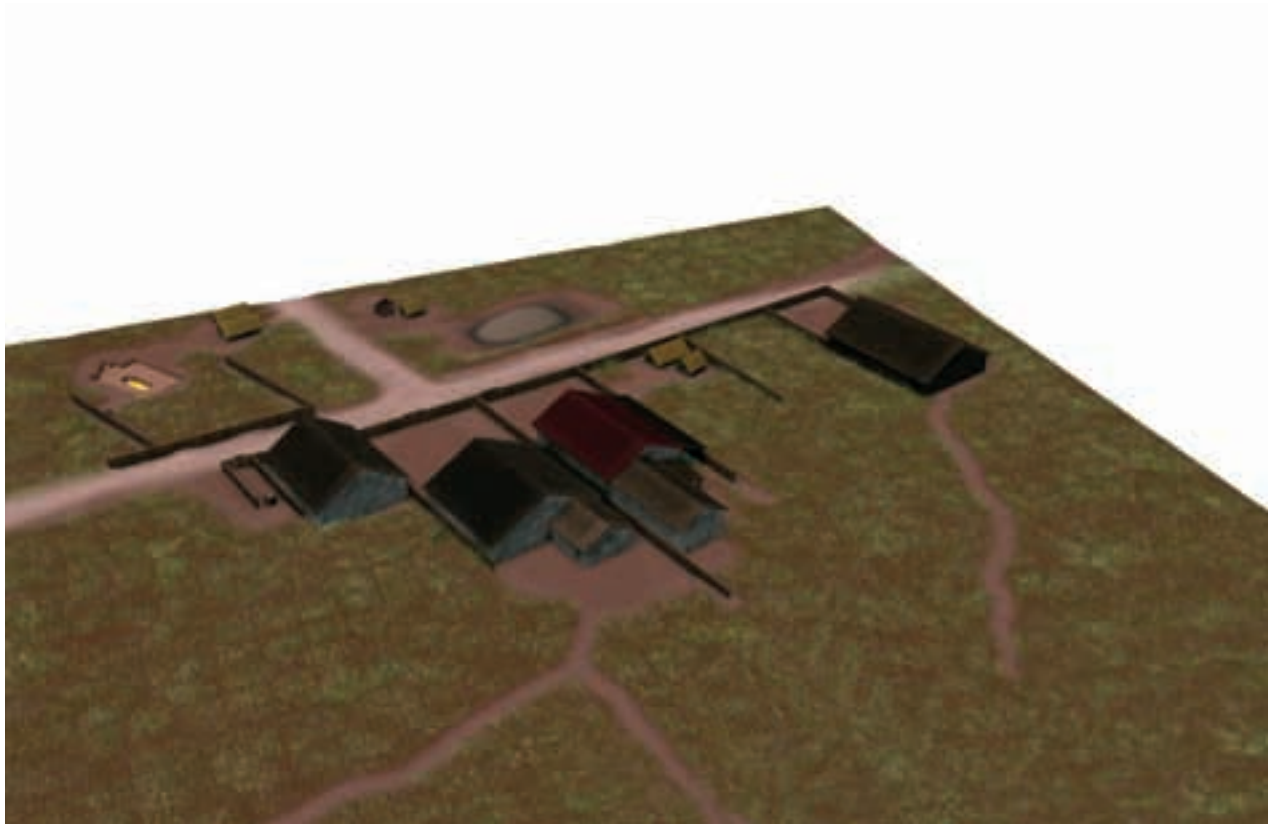

Grabungen 1997–1999 im Vicus Ost von Mautern-Favianis, Periode 6. M. 1:400.

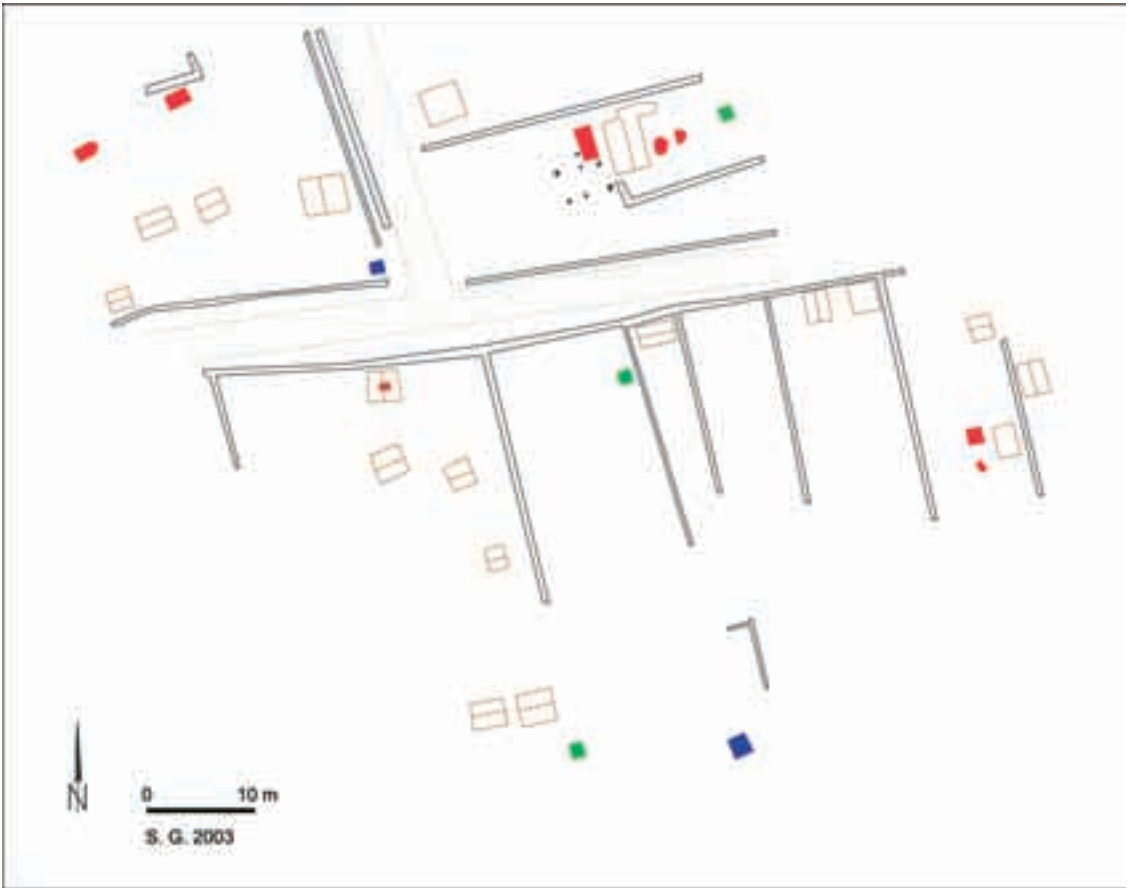

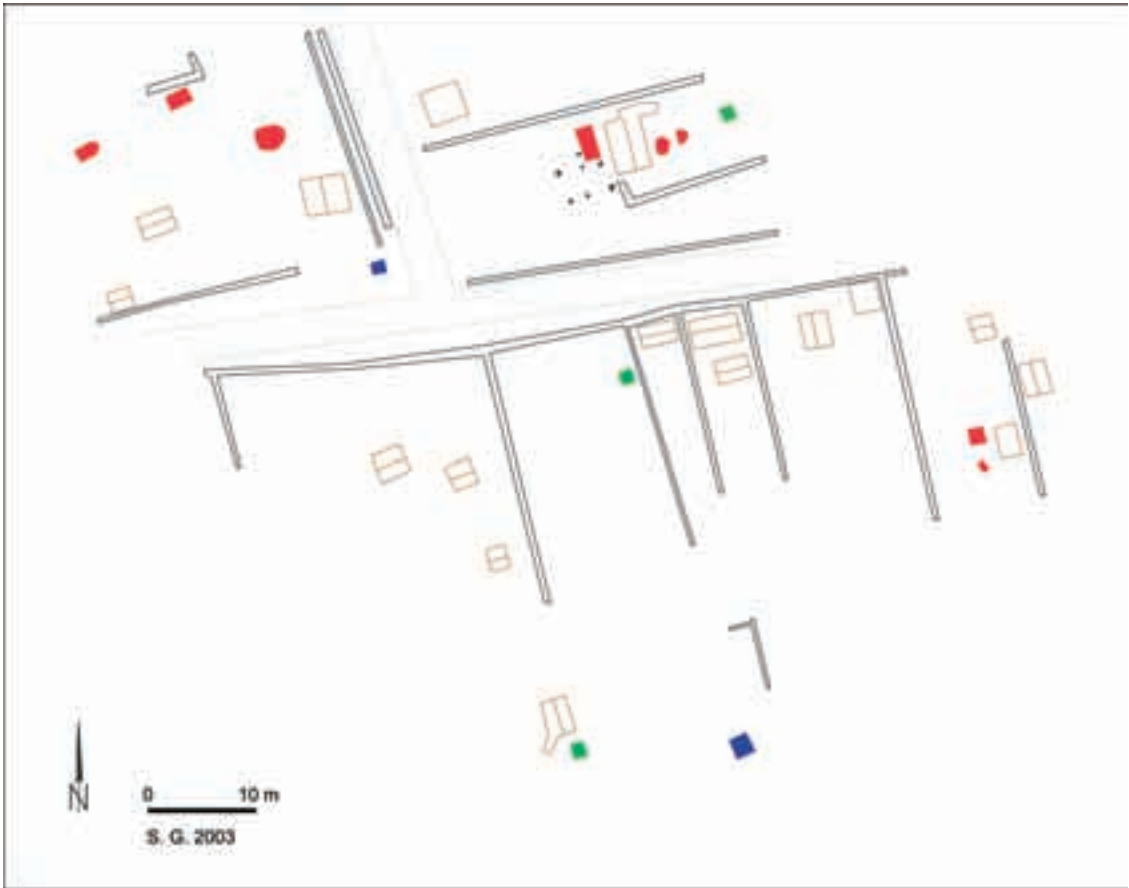

Grabungen 1997–1999 im Vicus Ost von Mautern-Favianis, Periode 9. M. 1:400.

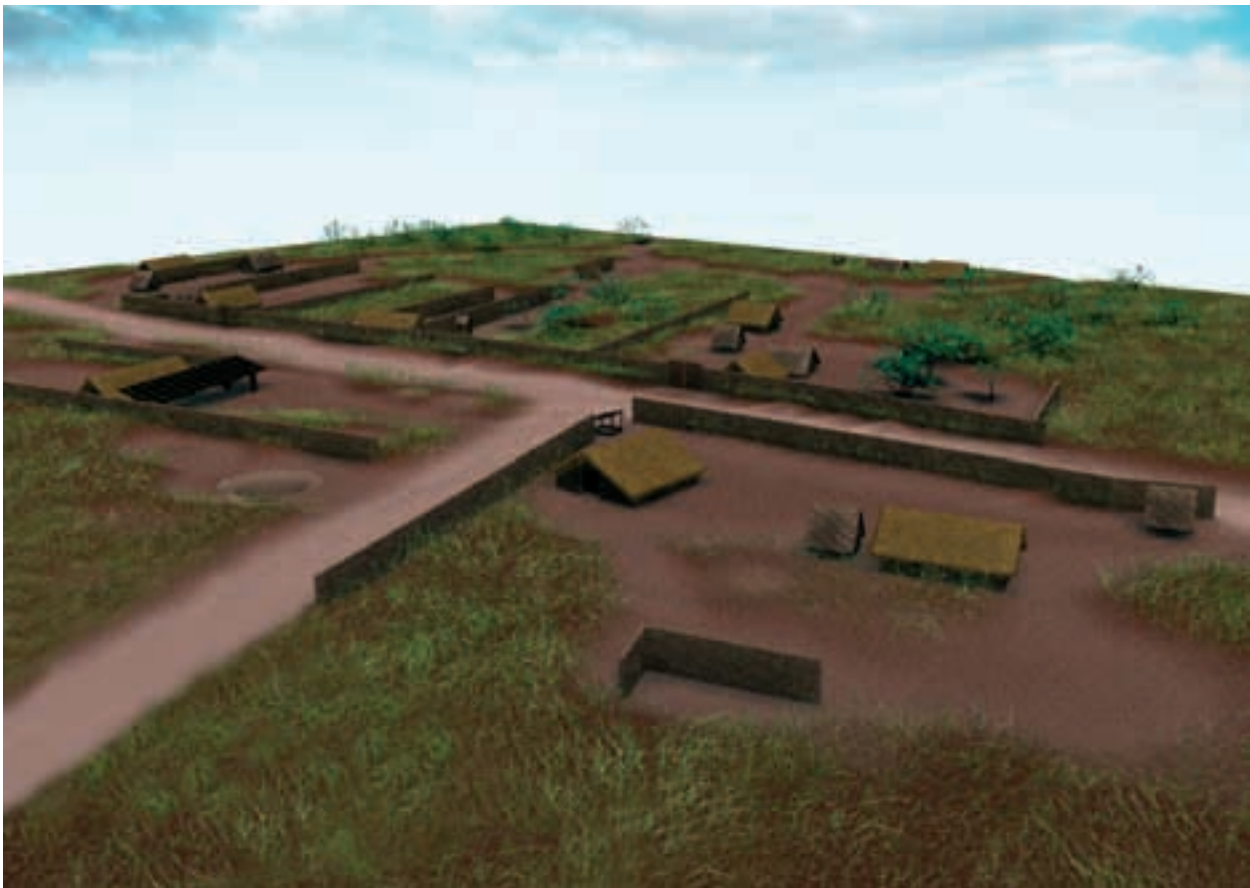

Bebauungsstruktur in Periode 1  
(rot = Brandflächen, Brandgruben; grün = Latrinen; blau = Brunnen; braun = Grubenhütten). M. 1:700.

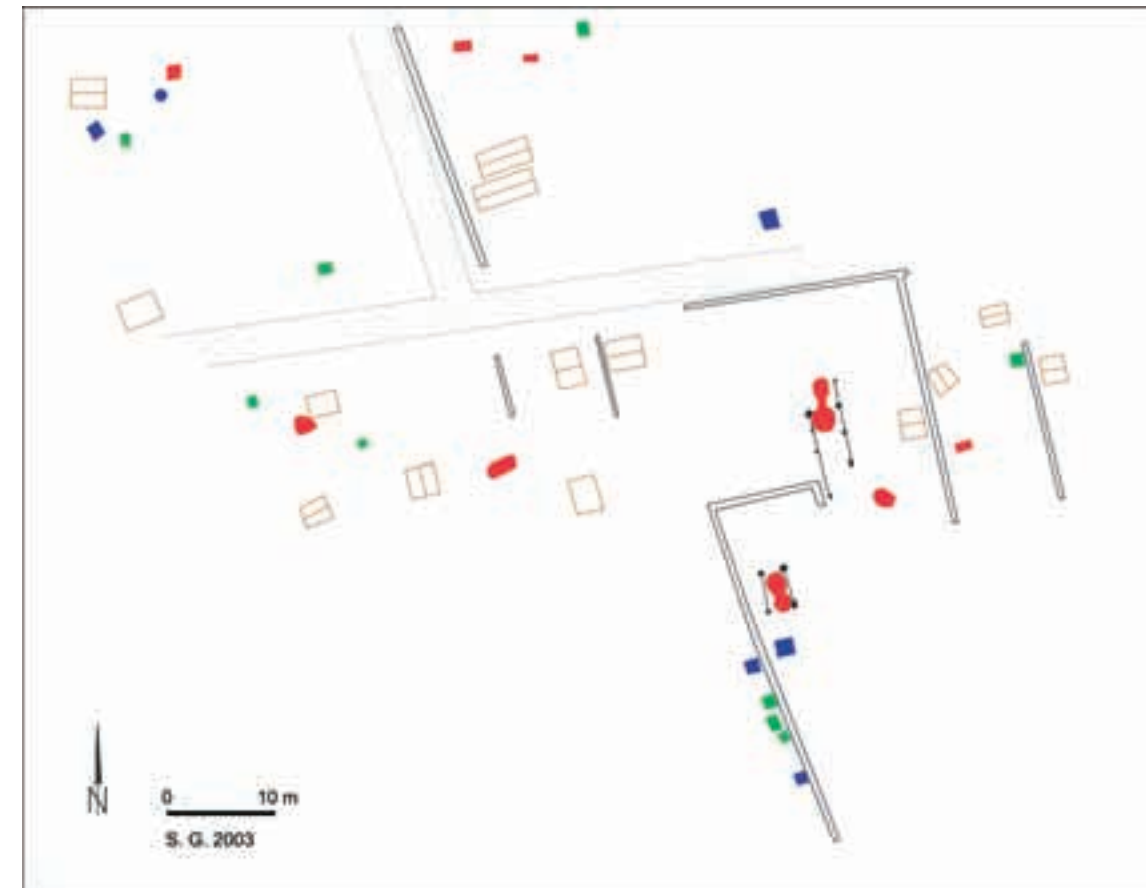

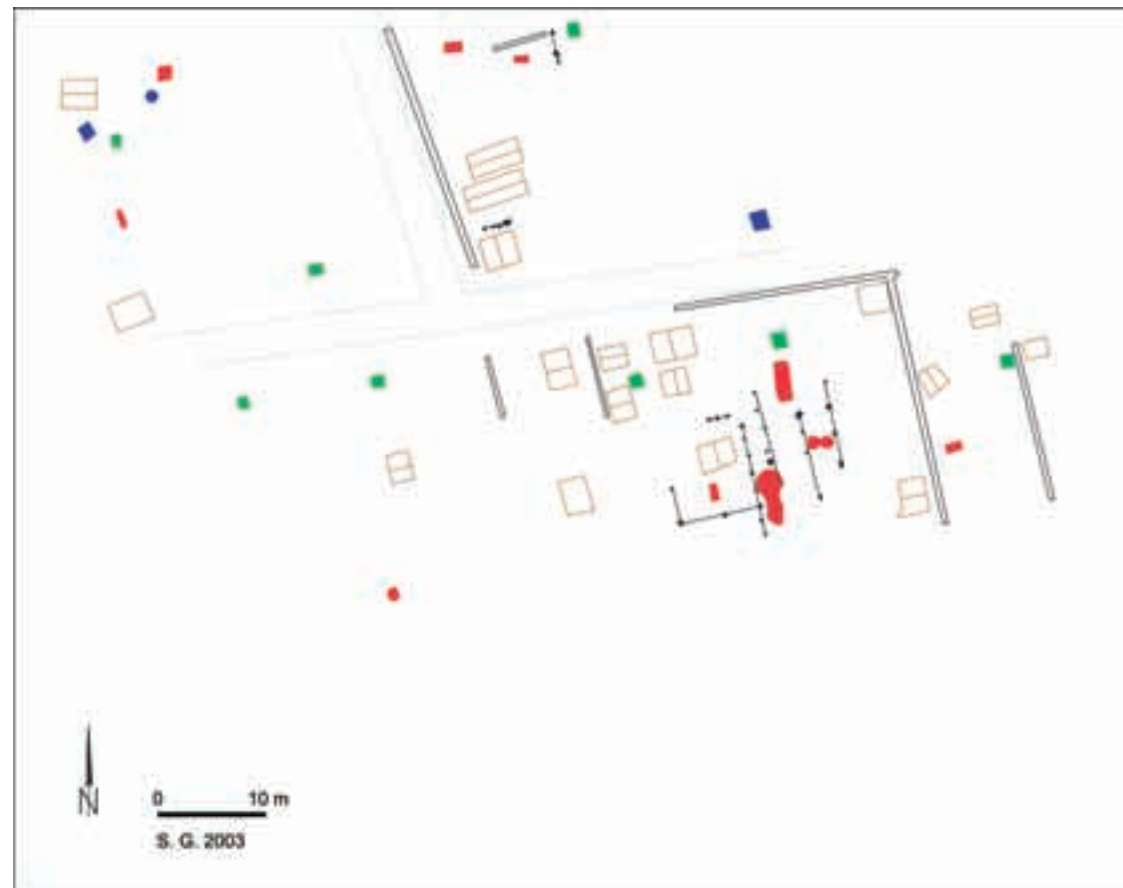

Dreidimensionale Rekonstruktion der Baustrukturen in Periode 1.

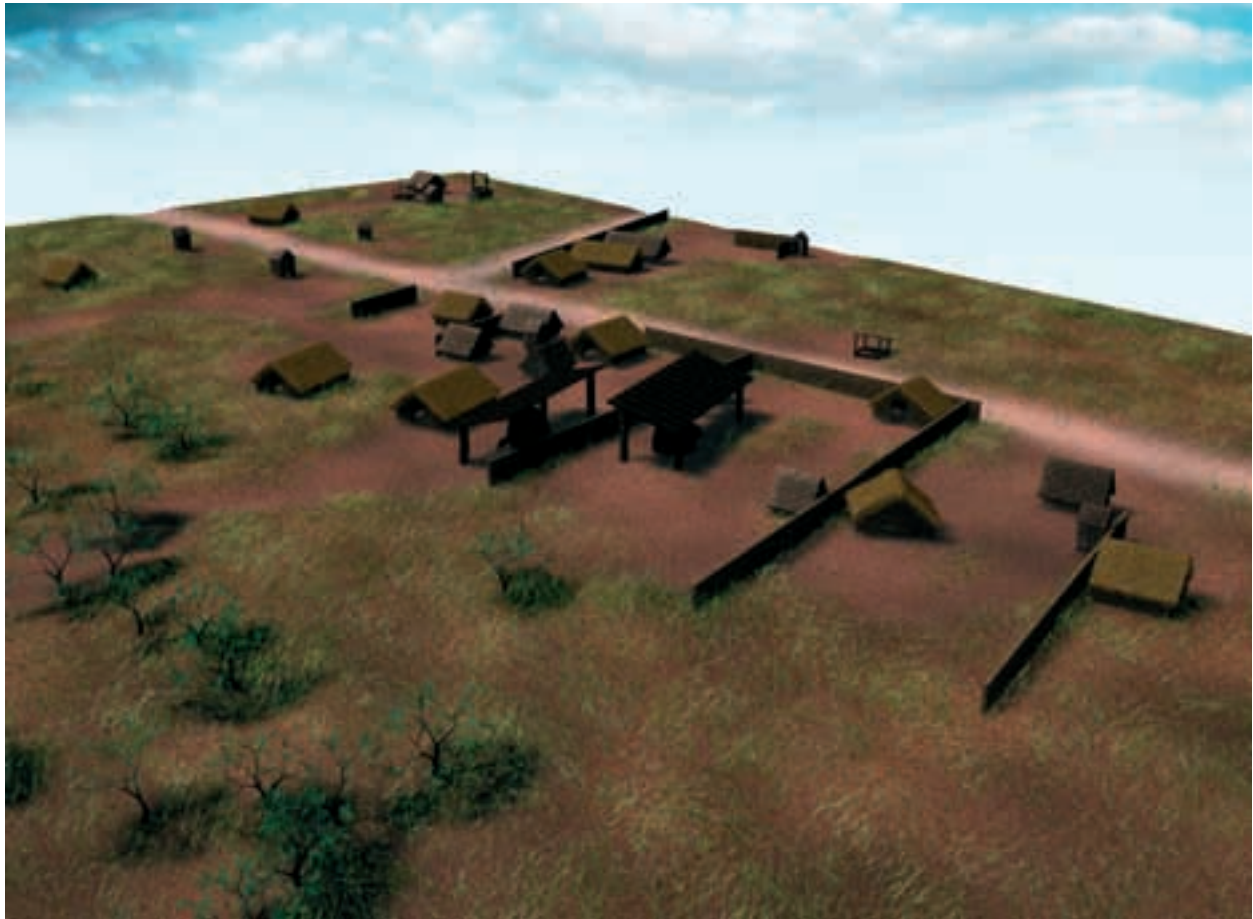

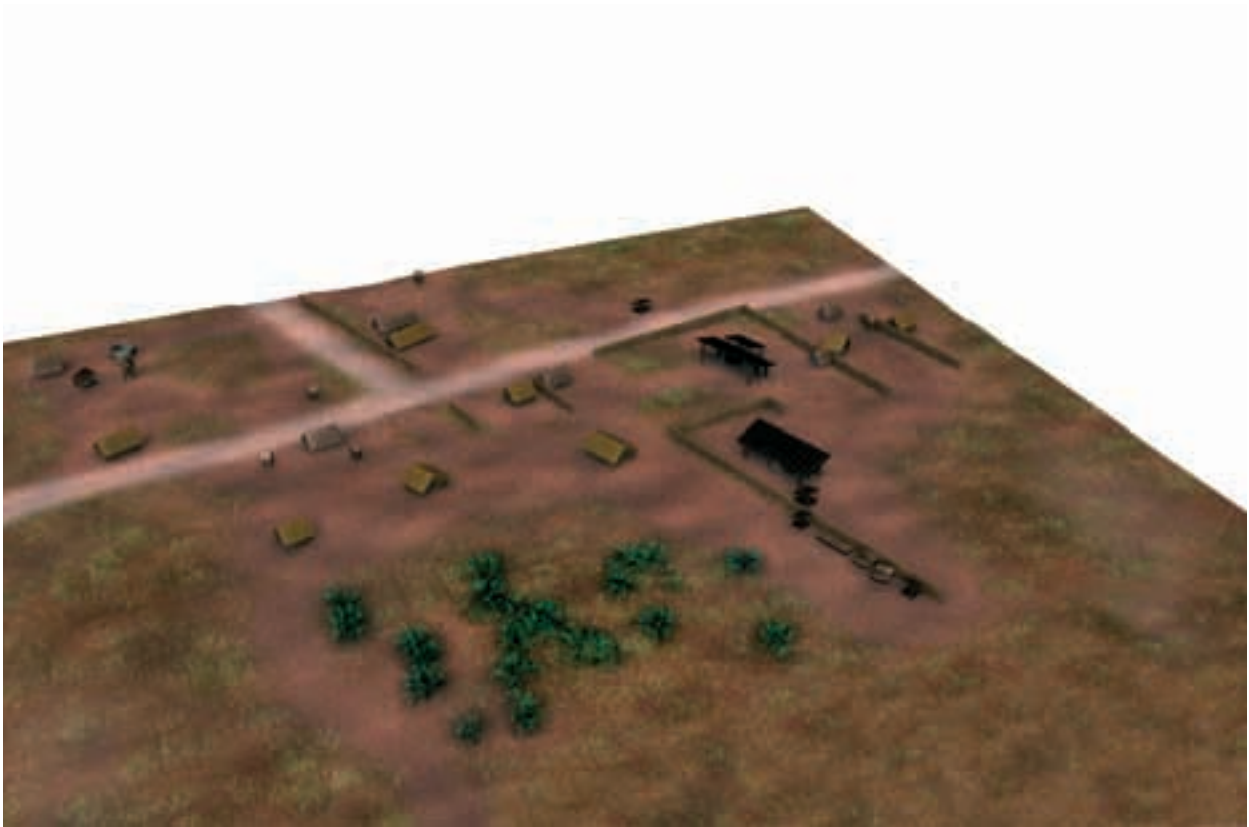

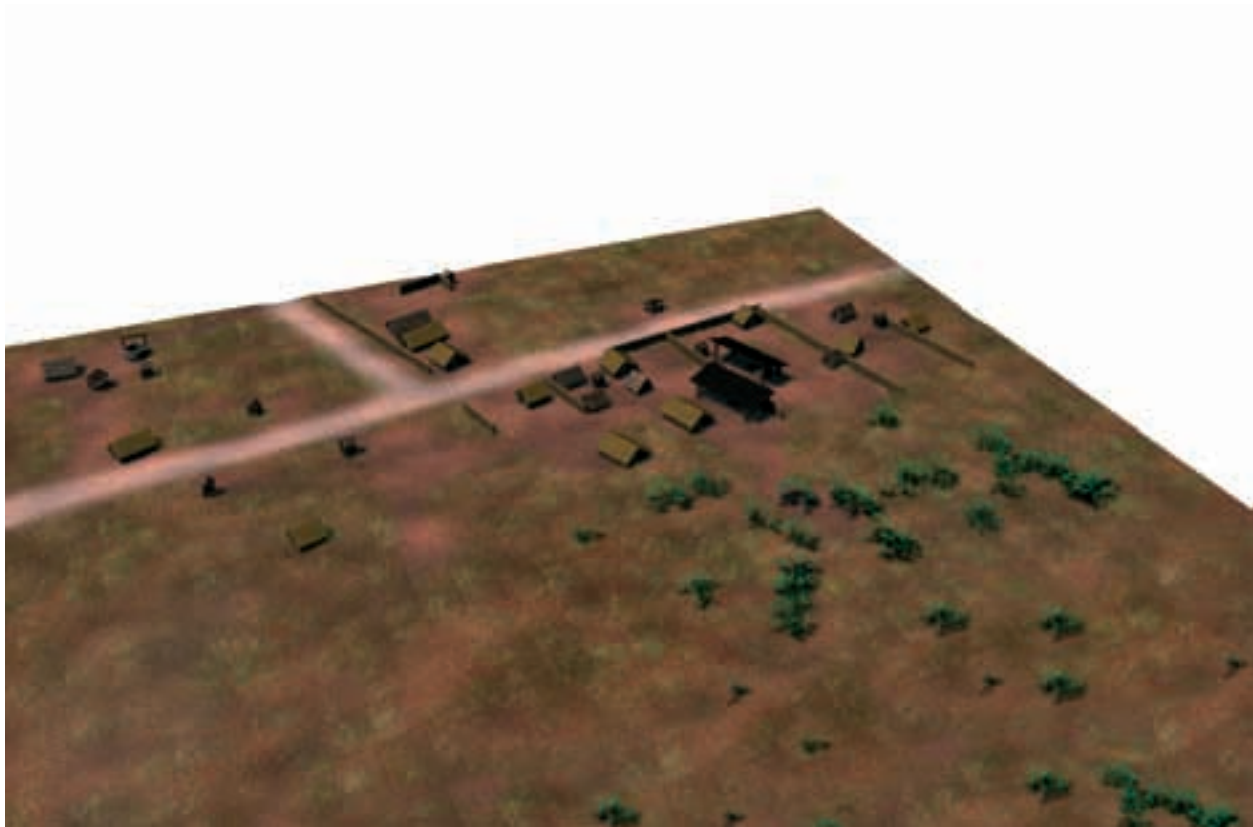

Bebauungsstruktur in Periode 2.1 (oben) und 2.2 (unten) (rot = Brandflächen, Brandgruben; grün = Latrinen; blau = Brunnen; braun = Grubenhütten). M. 1:700.

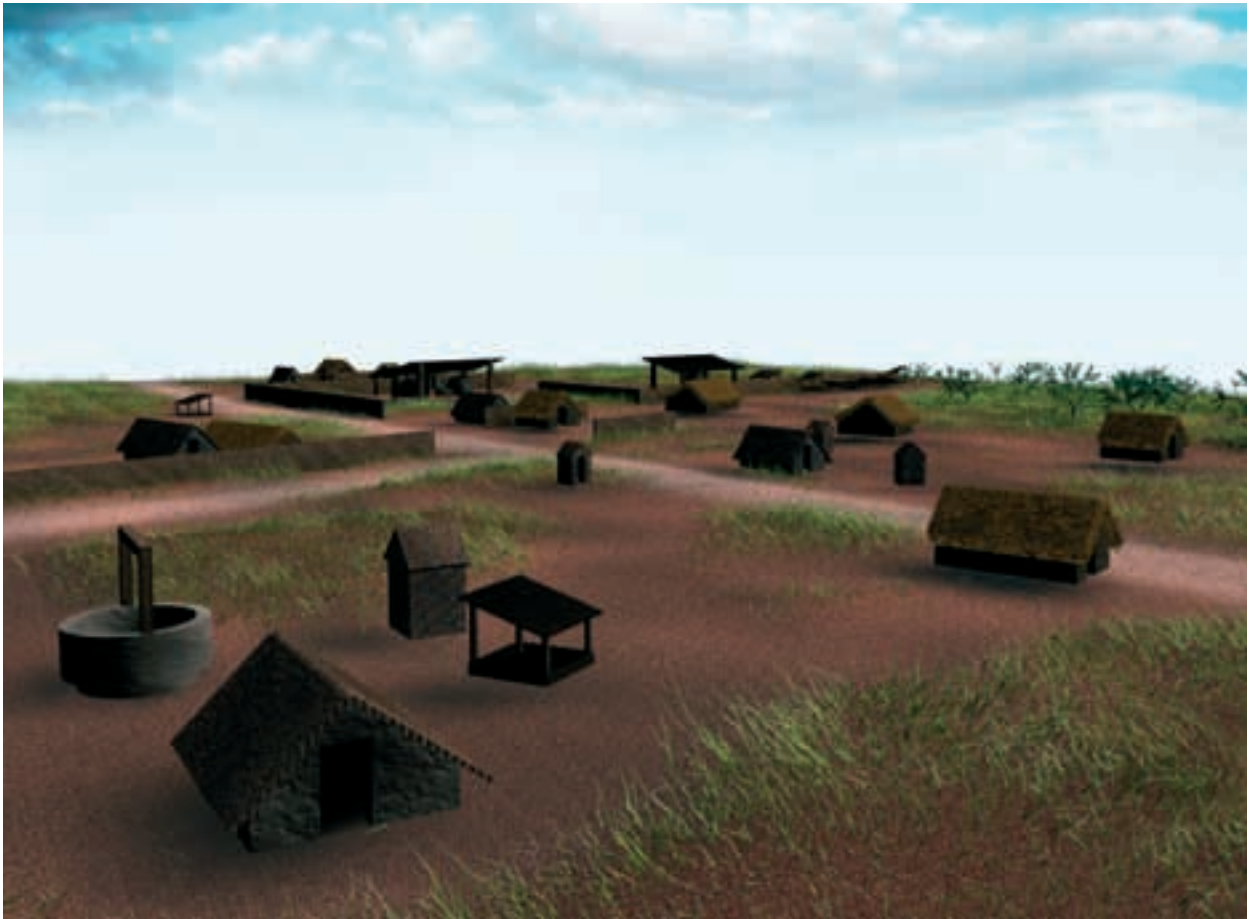

Dreidimensionale Rekonstruktion der Baustrukturen in Periode 2.2.

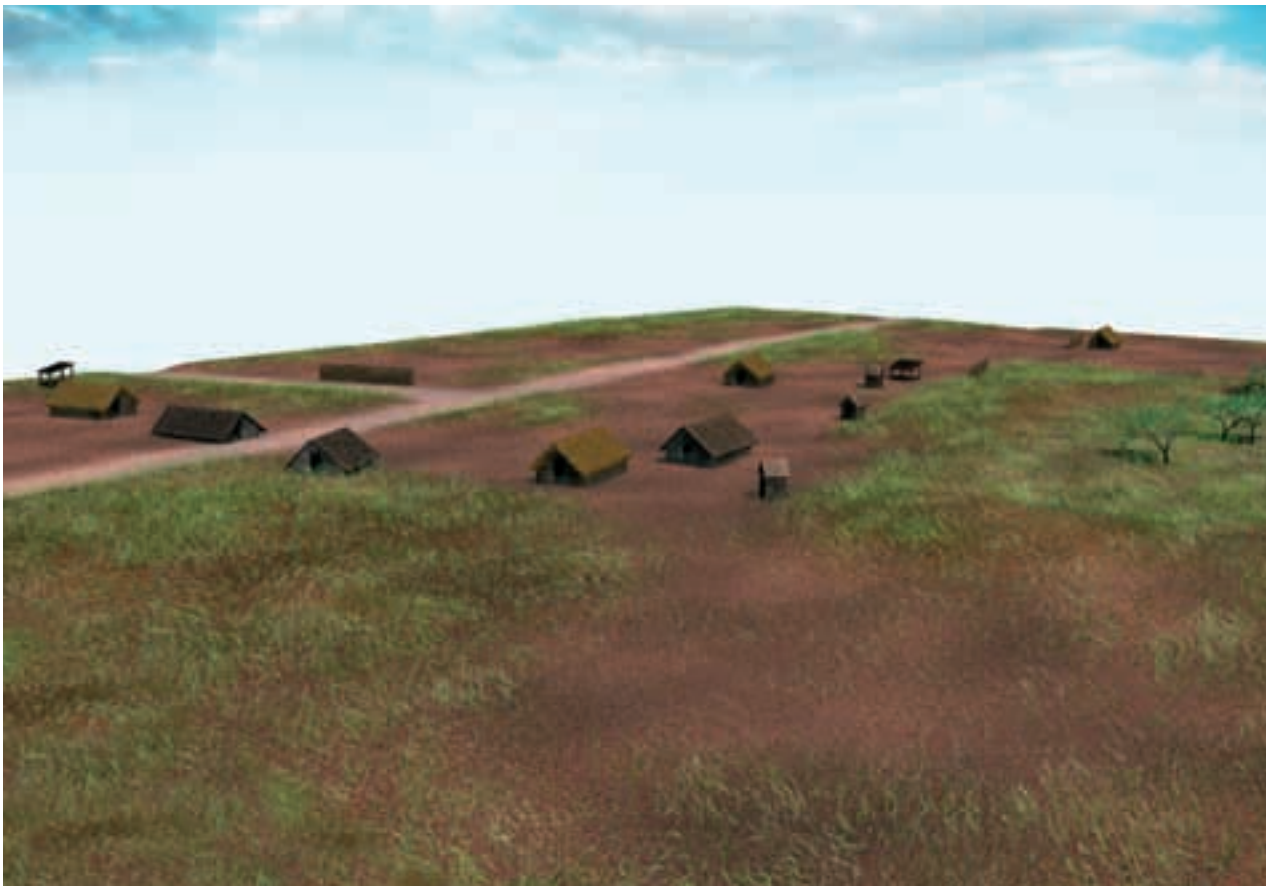

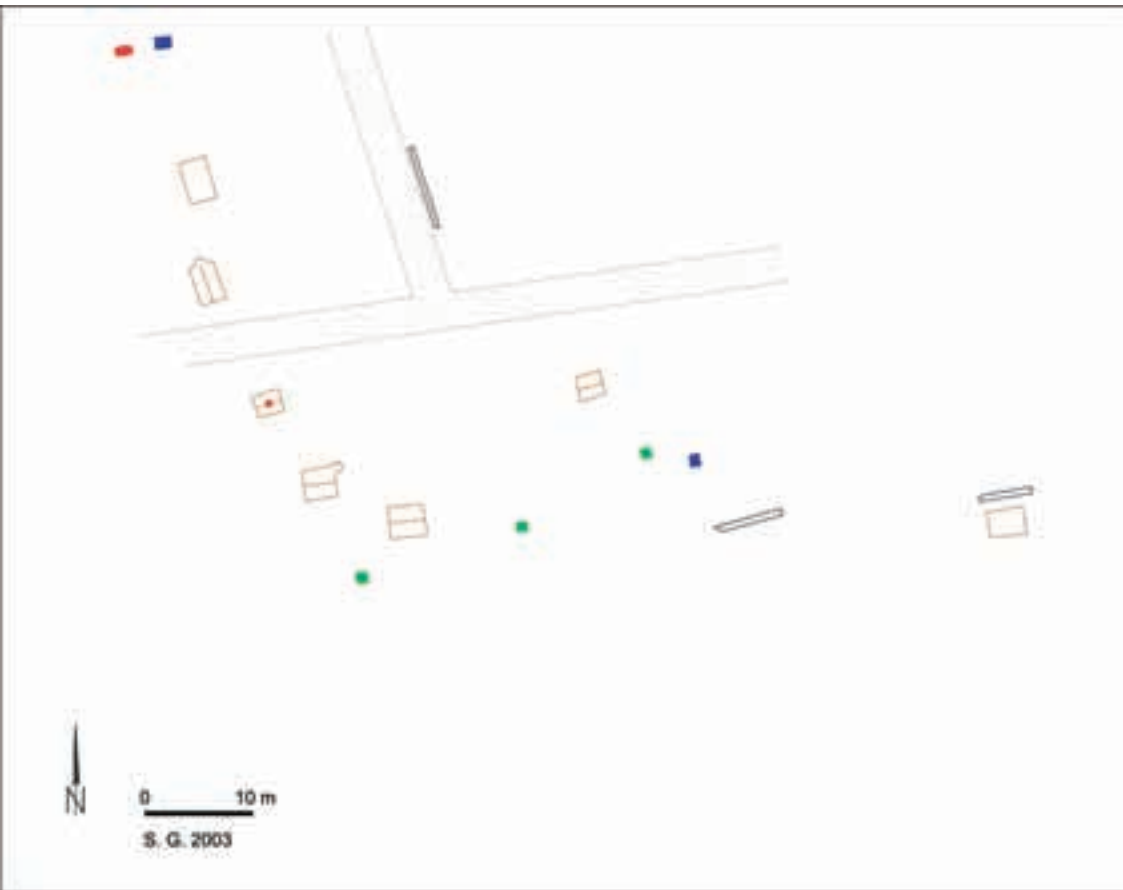

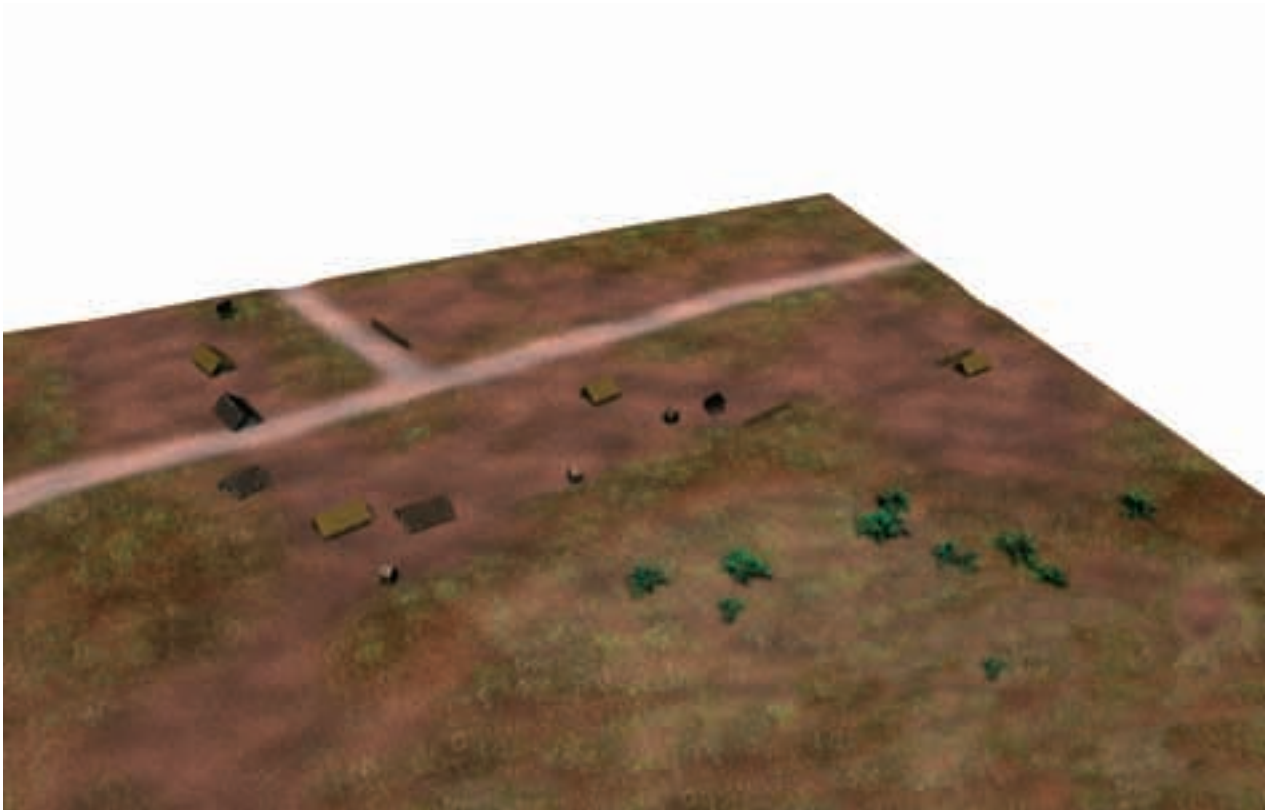

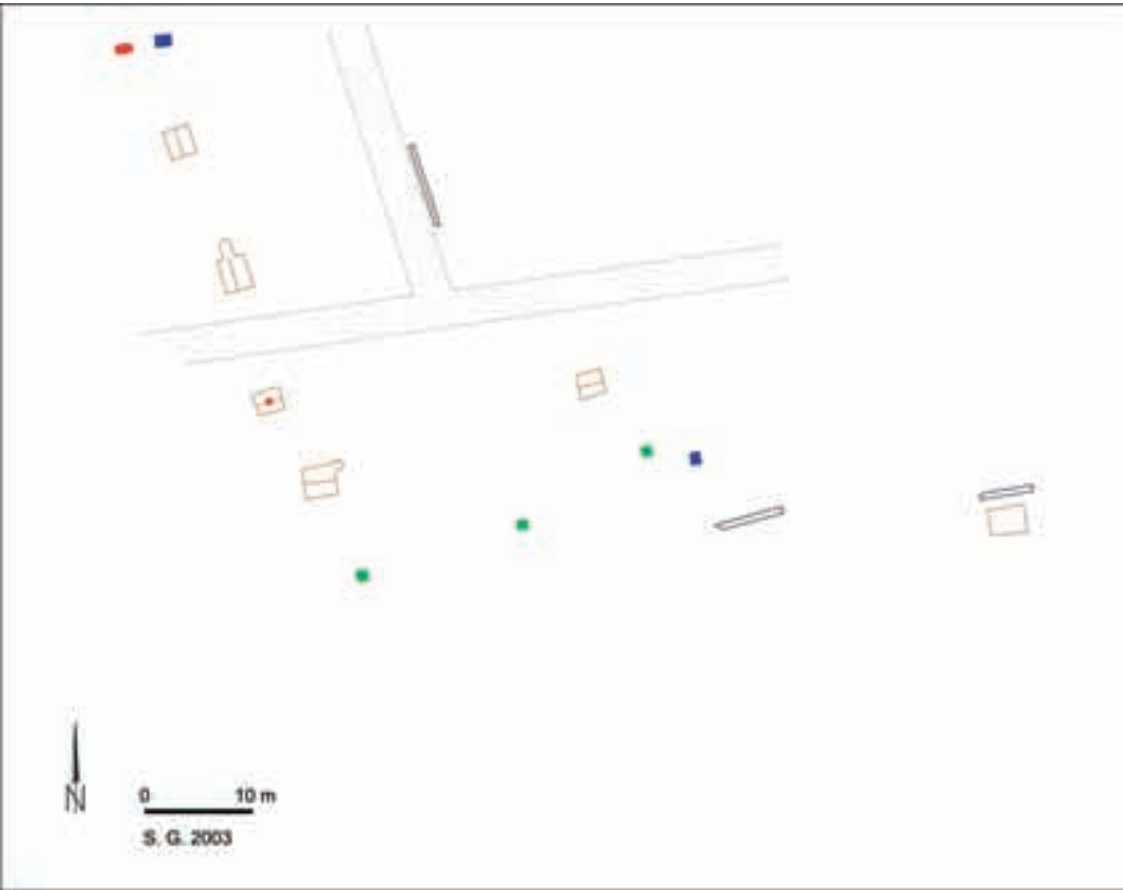

Bebauungsstruktur in Periode 3.1 (links) und 3.2 (rechts) (rot = Brandflächen, Brandgruben; grün = Latrinen; blau = Brunnen; braun = Grubenhütten). M. 1:700.

Dreidimensionale Rekonstruktion der Baustrukturen in Periode 3.1.

Dreidimensionale Rekonstruktion der Baustrukturen in Periode 3.2.

Bebauungsstruktur in Periode 4.1 (oben) und 4.2 (unten) (rot = Brandflächen, Brandgruben; grün = Latrinen; blau = Brunnen; braun = Grubenhöhlen). M. 1:700.

Dreidimensionale Rekonstruktion der Baustrukturen in Periode 4.2.
